

Deliver the Highest Quality Patient Care — Anytime, Anywhere

Just as siloed healthcare teams rally together in crisis, the healthcare industry ecosystem is rallying in response to COVID-19, delivering better patient care when and where it's needed most.

THE UNIVERSITY OF TEXAS
MD Anderson
~~Cancer~~ Center

With VMware Digital Foundation for Healthcare, MD Anderson delivered remote care for high-risk cancer patients and accelerated critical radiologist review of scans.

Nebraska Medicine

SERIOUS MEDICINE. EXTRAORDINARY CARE.™
Nebraska Medicine relied on VMware Digital Foundation for Healthcare to rapidly transition to virtual operations, preserve the safety of providers, and reduce PPE costs.
