Strong Financial Results

FYE March 31 / Trailing twelve months ended September 30, unaudited

- + Operations are conducted through two segments. The technology segment sells information technology products, software and services, while the financing segment provides lease and financing solutions.
- + The majority of our net sales are derived from our technology segment, representing 97% of revenues in FY17.
- + Over the last five years, net sales and adjusted gross billings of product and services have increased at a compound annual rate of 8% and 11%, respectively.

Strong Financial Results

FYE March 31 / Trailing twelve months ended September 30, unaudited

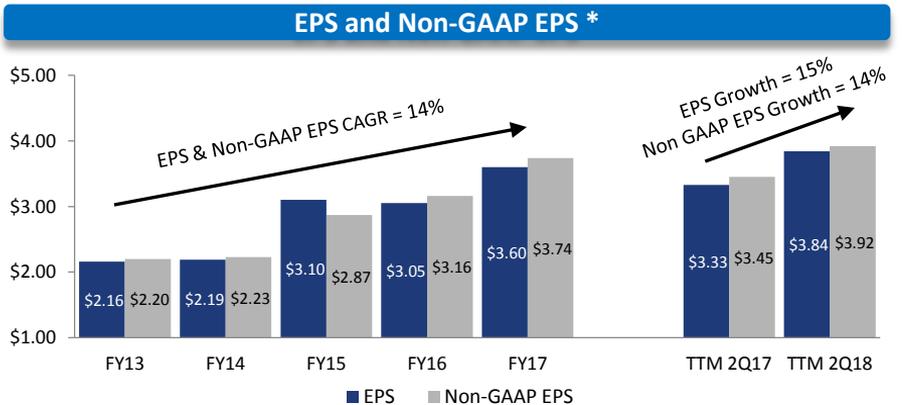

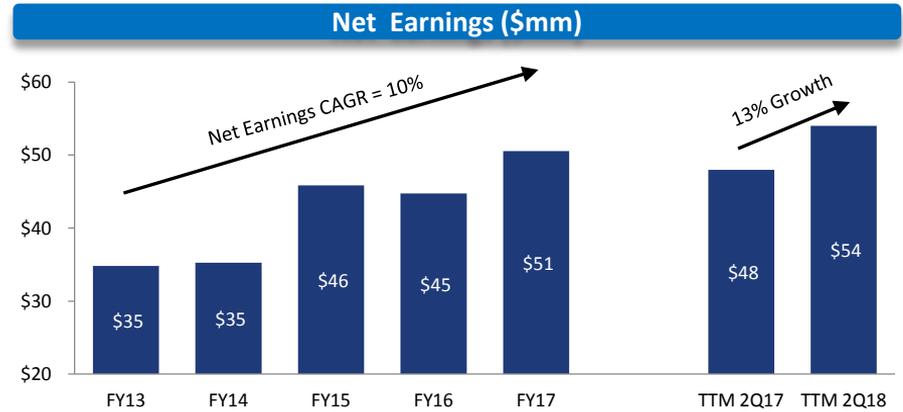

- + Consolidated gross profit increased at a compounded annual rate of 10% from FY13 to FY17, driven by our technology segment, which represented 90% of our total gross profit in FY17.
- + Gross margin on the sale of product and services has increased from 18.0% in FY13 to 20.5% in FY17, as services capabilities continued to expand.

Strong Financial Results

- + From FY13 to FY17, net earnings increased at a compounded annual rate of 10% as a result of focusing on revenue growth and controlling overhead expenses.
- + FY15 included \$7.2 million in other income from the retirement of a liability and a claim in a class action lawsuit.
- + EPS and non-GAAP EPS both increased 14% over the last four years.
- + Non-GAAP EPS excluded acquisition related amortization expense and other income, net of tax.

Strong Financial Results

- + Adjusted EBITDA represents net earnings before interest expense, depreciation and amortization, provision for income taxes, and other income. Interest on notes payable and depreciation expense presented within cost of sales represent operating expenses of financing segment, as such they are not added back to net earnings.
- + Over the last four years, adjusted EBITDA increased at a compounded annual rate of 11%.
- + Adjusted EBITDA margin increased from 6.2% to 7.0% over the last four years.
- + The lower adjusted EBITDA margin in FY14 was due to increases in salaries and benefits, reserve for credit losses, software license and maintenance, and depreciation and amortization.
