Safe Harbor Statement

Statements in this presentation that are not historical facts may be deemed to be "forward-looking statements." Actual and anticipated future results may vary materially due to certain risks and uncertainties, including, without limitation, possible adverse effects resulting from national and international political instability fostering uncertainty and volatility in the global economy including exposure to fluctuations in foreign currency rates, interest rates, and downward pressure on prices; serious natural disruptions or catastrophic events, or public health crises (such as the ongoing COVID-19 pandemic), as well as extreme weather events; reduction of vendor incentive programs; restrictions on our access to capital necessary to fund our operations; significant adverse changes in, reductions in, or losses of relationships with our largest volume customer or one or more of our large volume customers or vendors; our ability to implement comprehensive plans for the integration of sales forces, cost containment, asset rationalization, systems integration and other key strategies; our ability to secure our own and our customers' electronic and other confidential information and remain secure during a cyber-security attack; changes to our senior management team and/or failure to successfully implement succession plans; disruptions or a security breach in our or our vendors' IT systems and data and audio communications networks; the possibility of additional goodwill impairment charges; the demand for and acceptance of, our products and services; our ability to adapt our services to meet changes in market developments; our ability to adapt to changes in the IT industry and/or rapid changes in product offerings, including the proliferation of the cloud, infrastructure as a service and software as a service; maintaining and increasing advanced professional services by recruiting and retaining highly skilled, competent personnel, and vendor certifications; our ability to realize our investment in leased equipment; reliance on third-parties to perform some of our service obligations to our customers; our ability to protect our intellectual property; our ability to successfully perform due diligence and integrate acquired businesses; the creditworthiness of our customers; our ability to raise capital and obtain non-recourse financing for our transactions; our ability to reserve adequately for credit losses; the impact of competition in our markets; our failure to comply with public sector contracts or applicable laws or regulations; and other risks or uncertainties detailed in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2020 and other periodic filings with the Securities and Exchange Commission and available at the SEC's website at <http://www.sec.gov>.

We wish to caution you that these factors could affect our financial performance and could cause actual results for future periods to differ materially from any opinions or statements expressed with respect to future periods in any current statements. All information set forth in this presentation is current as of the date of this presentation and ePlus undertakes no duty or obligation to update this information.

Strong Financial Results

FYE March 31

- + Operations are conducted through two segments. The technology segment sells information technology products, software and services, while the financing segment provides lease and financing solutions.
- + The majority of our net sales are derived from our technology segment, representing 96% of revenues in FY20.
- + From FY16 to FY20, adjusted gross billings and net sales have increased at a compound annual rate of 9% and 7%, respectively, as the gross to net adjustment has increased from 25.2% to 31.3% of the adjusted gross billings.

* See Non-GAAP Financial Information

** Amounts for FY18 and FY17 have been adjusted to reflect the adoption of Topic 606.

Strong Financial Results

FYE March 31

- + Service revenue includes professional services, managed services, and staffing services.
- + From FY17 to FY20, service revenue has increased at a compound annual rate of 26%.
- + Service revenue as a percentage of net sales grew from 6.9% in FY17 to 12.2% in FY20.

Strong Financial Results

FYE March 31

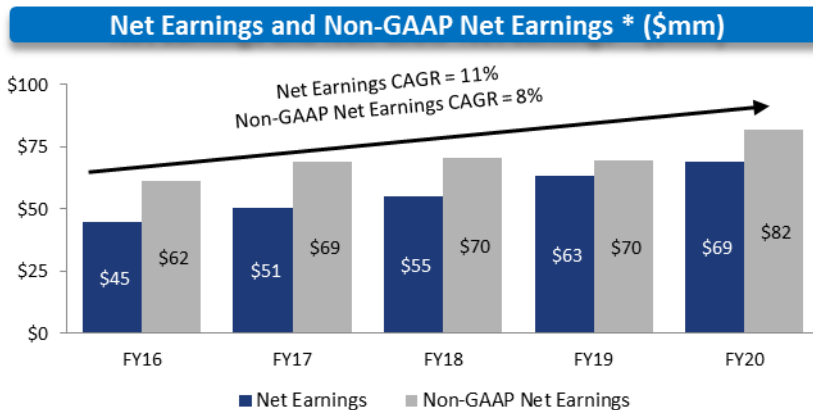

- + Consolidated gross profit increased at a compounded annual rate of 11% from FY16 to FY20. Technology segment represented 87% of our total gross profit in FY20.
- + Consolidated gross margin has increased from 21.7% in FY15 to 24.6% in FY20.
- + Technology segment gross margin has increased from 20.3% in FY16 to 22.3% in FY20, as services capabilities continued to expand.

Strong Financial Results

- + From FY16 to FY20, net earnings increased at a compounded annual rate of 11% as a result of focusing on revenue and gross profit growth.
- + EPS and non-GAAP EPS CAGR were 14% and 10%, respectively, from FY16 to FY20.
- + Non-GAAP EPS excluded other income (expense), share based compensation, and acquisition and integration expenses, and the related tax effects; and the tax (benefit) expense due to the re-measurement of our deferred tax assets and liabilities at the new U.S. tax rate, and an adjustment to our tax expense in FY16 through FY18 assuming a 21% U.S. federal statutory income tax rate for U.S. operations.
