Statements in this presentation that are not historical facts may be deemed to be "forward-looking statements." Actual and anticipated future results may vary materially due to certain risks and uncertainties, including, without limitation, possible adverse effects resulting from national and international political instability fostering uncertainty and volatility in the global economy including an economic downturn, an increase in tariffs or adverse changes to trade agreements, exposure to fluctuations in foreign currency rates, interest rates, and downward pressure on prices; the duration and impact of the COVID-19 pandemic, which could materially, adversely affect our financial condition and results of operations and has resulted worldwide in governmental authorities imposing numerous unprecedented measures to try to contain the virus that has impacted and may further impact our workforce and operations, the operations of our customers, and those of our respective vendors, suppliers and partners; serious natural disruptions or catastrophic events, as well as extreme weather events; reduction of vendor incentive programs; restrictions on our access to capital necessary to fund our operations; significant adverse changes in, reductions in, or losses of relationships with our largest volume customer or one or more of our large volume customers or vendors; our ability to implement comprehensive plans for the integration of sales forces, cost containment, asset rationalization, systems integration and other key strategies; our ability to secure our own and our customers’ electronic and other confidential information and remain secure during a cyber-security attack; a possible decrease in the capital spending budgets of our customers or a decrease in purchases from us; uncertainty regarding the phase out of LIBOR may negatively affect our operating results; changes to our senior management team and/or failure to successfully implement succession plans; disruptions or a security breach in our or our vendors’ or suppliers’ IT systems and data and audio communications networks, supply chains or other systems; the possibility of additional goodwill impairment charges; the demand for and acceptance of, our products and services; our ability to adapt our services to meet changes in market developments; our ability to adapt to changes in the IT industry and/or rapid changes in product offerings, including the proliferation of the cloud, infrastructure as a service, software as a service and platform as a service; maintaining and increasing advanced professional services by recruiting and retaining highly skilled, competent personnel, and vendor certifications; our ability to realize our investment in leased equipment; reliance on third-parties to perform some of our service obligations to our customers; our ability to protect our intellectual property; our ability to successfully perform due diligence and integrate acquired businesses; the creditworthiness of our customers; our ability to raise capital and obtain non-recourse financing for our transactions; our ability to reserve adequately for credit losses; the impact of competition in our markets; our failure to comply with public sector contracts or applicable laws or regulations; and other risks or uncertainties detailed in the Company’s Annual Report on Form 10-K for the fiscal year ended March 31, 2021 and other periodic filings with the Securities and Exchange Commission and available at the SEC’s website at http://www.sec.gov.

We wish to caution you that these factors could affect our financial performance and could cause actual results for future periods to differ materially from any opinions or statements expressed with respect to future periods in any current statements. All information set forth in this presentation is current as of the date of this presentation and ePlus undertakes no duty or obligation to update this information.

Independent Provider with Deep Strategic Relationships

**SELECT STRATEGIC PARTNERS**

- Excellent channel partner for ePlus, representing 35% of technology segment net sales ¹
- All core products plus data center, collaboration, security, enterprise software, and lifecycle services
- ePlus has over 650 certified professionals in Cisco technologies
- Converged infrastructure, enterprise storage, networking and virtualization
- Cloud, server and storage solutions
- NetApp Star Partner and Professional Services Partner
- Network storage (including All Flash Data Storage arrays) and services focused on applications, file server consolidation, private and public cloud
- ePlus professionals maintain a variety of Dell Technologies engineering certifications
- Client, servers, networking, services, and storage including the legacy EMC offerings
- Cloud, data center, virtual infrastructure solutions and the remainder of their portfolio

**ADDITIONAL CATEGORY SPECIFIC PARTNERS**

1 Based on the year ended March 31, 2021

© 2021 ePlus inc.
Broad and Diverse Customer Base

Percentages are based on net sales during fiscal year ended March 31, 2021.
A Commitment to Corporate Social Responsibility
Why ePlus

Technology evolves quickly, and every new development exposes our customers to new opportunities and new challenges. ePlus is the partner that can help them navigate with confidence and agility.

“Do what it takes” dedication
Long-term view and enduring commitment extending well beyond the transaction

Industry-leading consultative expertise
Capability to help customers better understand their evolving business environment

Comprehensive offerings
Transformative technology solutions designed to deliver measurable business outcomes

Proven processes & methodologies
Up-front assessments, followed by design and architecture, deployment and implementation, managed services, professional services, and staffing

Highly-accessible, consumption-based solutions
Enable future success and better position our customers for tomorrow’s needs
Elaine Marion
Chief Financial Officer
Strong Financial Results

+ Operations are conducted through two segments. The technology segment sells information technology products, software and services, while the financing segment provides lease and financing solutions.

+ The majority of our net sales are derived from our technology segment, representing 96% of revenues in FY21.

+ From FY17 to FY21, adjusted gross billings and net sales have increased at a compound annual rate of 6% and 4%, respectively, as the gross to net adjustment has increased from 27.3% to 33.4% of the adjusted gross billings.

* See Non-GAAP Financial Information
** Amounts for FY18 and FY17 have been adjusted to reflect the adoption of Topic 606.
Strong Financial Results

- Service revenue includes professional services, managed services, and staffing services.
- From FY17 to FY21, service revenue has increased at a compound annual rate of 20%.
- Service revenue as a percentage of net sales grew from 7.3% in FY17 to 12.9% in FY21.
Strong Financial Results

- Consolidated gross profit increased at a compounded annual rate of 7% from FY17 to FY21. Technology segment represented 88% of our total gross profit in FY21.

- Consolidated gross margin has increased from 22.5% in FY17 to 25.1% in FY21.

- Technology segment gross margin has increased from 20.8% in FY17 to 23.0% in FY21, as services capabilities continued to expand and a larger portion of sales were recognized on a net basis.
Strong Financial Results

+ From FY17 to FY21, net earnings increased at a compounded annual rate of 10% as a result of focusing on revenue and gross profit growth.

+ EPS and non-GAAP EPS CAGR were 11% and 7%, respectively, from FY17 to FY21.

+ Non-GAAP EPS excluded other income (expense), share based compensation, and acquisition and integration expenses, and the related tax effects; and the tax (benefit) expense due to the re-measurement of our deferred tax assets and liabilities at the new U.S. tax rate, and an adjustment to our tax expense in FY17 and FY18 assuming a 21% U.S. federal statutory income tax rate for U.S. operations.

* See Non-GAAP Financial Information
Strong Financial Results

+ Adjusted EBITDA represents net earnings before interest expense, depreciation and amortization, share based compensation, acquisition and integration expenses, provision for income taxes, and other income. Interest on notes payable and depreciation expense presented within cost of sales represent operating expenses of financing segment, as such they are not added back to net earnings.

+ From FY17 to FY21, adjusted EBITDA increased at a compounded annual rate of 7%.

+ Adjusted EBITDA margin increased from 7.5% to 8.2% from FY17 to FY21.

* Adjusted EBITDA CAGR = 7%

* See Non-GAAP Financial Information
Growing Customer Facing Personnel

+ Acquiring consultative sales professionals to bring successful business outcomes to our customers.

+ Focused on growing engineering talent in cloud, security, and digital infrastructure.

+ Customer facing personnel increased by 358 from FY17 to FY21, which represented 93% of the total increase in headcount.

+ Leveraging our operational infrastructure as we expand.
## Strong Balance Sheet

+ $130 million in cash and equivalents
+ Financing portfolio of $196 million, representing investments in leases and notes
+ Portfolio monetization can be utilized to raise additional cash
+ $275 million credit limit with Wells Fargo Commercial Distribution Finance, LLC (WFCDF)
+ ROIC 11.6% for the twelve months ended March 31, 2021 ¹
