Safe Harbor Statement

Statements in this presentation that are not historical facts may be deemed to be "forward-looking statements." Actual and anticipated future results may vary materially due to certain risks and uncertainties, including, without limitation, possible adverse effects resulting from national and international political instability fostering uncertainty and volatility in the global economy including exposure to fluctuations in foreign currency rates, interest rates, and downward pressure on prices; serious natural disruptions or catastrophic events, or public health crises (such as the ongoing COVID-19 pandemic), as well as extreme weather events; reduction of vendor incentive programs; restrictions on our access to capital necessary to fund our operations; significant adverse changes in, reductions in, or losses of relationships with our largest volume customer or one or more of our large volume customers or vendors; our ability to implement comprehensive plans for the integration of sales forces, cost containment, asset rationalization, systems integration and other key strategies; our ability to secure our own and our customers’ electronic and other confidential information and remain secure during a cyber-security attack; a possible decrease in the capital spending budgets of our customers or a decrease in purchases from us; uncertainty regarding the phase out of LIBOR may negatively affect our operating results; changes to our senior management team and/or failure to successfully implement succession plans; disruptions or a security breach in our or our vendors’ IT systems and data and audio communications networks; the possibility of additional goodwill impairment charges; the demand for and acceptance of, our products and services; our ability to adapt our services to meet changes in market developments; our ability to adapt to changes in the IT industry and/or rapid changes in product offerings, including the proliferation of the cloud, infrastructure as a service and software as a service; maintaining and increasing advanced professional services by recruiting and retaining highly skilled, competent personnel, and vendor certifications; our ability to realize our investment in leased equipment; reliance on third-parties to perform some of our service obligations to our customers; our ability to protect our intellectual property; our ability to successfully perform due diligence and integrate acquired businesses; the creditworthiness of our customers; our ability to raise capital and obtain non-recourse financing for our transactions; our ability to reserve adequately for credit losses; the impact of competition in our markets; our failure to comply with public sector contracts or applicable laws or regulations; and other risks or uncertainties detailed in the Company’s Annual Report on Form 10-K for the fiscal year ended March 31, 2020 and other periodic filings with the Securities and Exchange Commission and available at the SEC’s website at http://www.sec.gov.

We wish to caution you that these factors could affect our financial performance and could cause actual results for future periods to differ materially from any opinions or statements expressed with respect to future periods in any current statements. All information set forth in this presentation is current as of the date of this presentation and ePlus undertakes no duty or obligation to update this information.

COVID-19 Impact

+ Majority of workforce at home since mid-March, no material impact on operations

+ Onsite personnel conforming to customer/partner requirements and local ordinances

+ Future IT spending is impacted by general economic trends

+ Solution set easily pivoted to fulfill customer needs for remote workforce enablement and related security

+ Built specific solutions for the new hybrid at-workREMOTE-workforce model

+ Created internal, inter-disciplinary Pandemic Response Team to enable, monitor, and manage ePlus business operations strategy and remote workforce
The CIO Today: Unpredictability from COVID causes a heightened focus on:

- Cloud Acceleration
- Collaboration
- Remote Workforce Enablement
- Security
- Managed and Professional Services
- AI: Analytics and Automation

“Business executives who experienced firsthand the shortcomings of legacy technology environments will suddenly demand that IT accelerate roadmaps for app and infrastructure modernization, refined service management, high-availability architectures, automation for speed and reliability, cloud for scale and flexibility, and a network that delivers high performance. The time to start designing for dependability is now.”

— Forrester April 23, 2020 – In a Crisis People Want Dependable Technology
Well Positioned within the IT Ecosystem

Our range of complex solutions and services places us in high end of the IT market

A Commitment to Corporate Social Responsibility
Why ePlus

Technology evolves quickly, and every new development exposes our customers to new opportunities and new challenges. ePlus is the partner that can help them navigate with confidence and agility.

“Do what it takes” dedication
Long-term view and enduring commitment extending well beyond the transaction

Industry-leading consultative expertise
Capability to help customers better understand their evolving business environment

Comprehensive offerings
Transformative technology solutions designed to deliver measurable business outcomes

Proven processes & methodologies
Up-front assessments, followed by design and architecture, deployment and implementation, managed services, professional services, and staffing

Highly-accessible, consumption-based solutions
Enable future success and better position our customers for tomorrow’s needs

Chief Financial Officer
Strong Financial Results

+ Operations are conducted through two segments. The technology segment sells information technology products, software and services, while the financing segment provides lease and financing solutions.

+ The majority of our net sales are derived from our technology segment, representing 96% of revenues in FY20.

+ From FY16 to FY20, adjusted gross billings and net sales have increased at a compound annual rate of 9% and 7%, respectively, as the gross to net adjustment has increased from 25.2% to 31.3% of the adjusted gross billings.

** Amounts for FY18 and FY17 have been adjusted to reflect the adoption of Topic 606.
Strong Financial Results

+ Service revenue includes professional services, managed services, and staffing services.

+ From FY17 to FY20, service revenue has increased at a compound annual rate of 26%.

+ Service revenue as a percentage of net sales grew from 7.3% in FY17 to 12.2% in FY20.
Strong Financial Results

+ Consolidated gross profit increased at a compounded annual rate of 11% from FY16 to FY20. Technology segment represented 87% of our total gross profit in FY20.

+ Consolidated gross margin has increased from 21.7% in FY15 to 24.6% in FY20.

+ Technology segment gross margin has increased from 20.3% in FY16 to 22.3% in FY20, as services capabilities continued to expand.
**Strong Financial Results**

+ From FY16 to FY20, net earnings increased at a compounded annual rate of 11% as a result of focusing on revenue and gross profit growth.

+ EPS and non-GAAP EPS CAGR were 14% and 10%, respectively, from FY16 to FY20.

+ Non-GAAP EPS excluded other income (expense), share based compensation, and acquisition and integration expenses, and the related tax effects; and the tax (benefit) expense due to the re-measurement of our deferred tax assets and liabilities at the new U.S. tax rate, and an adjustment to our tax expense in FY16 through FY18 assuming a 21% U.S. federal statutory income tax rate for U.S. operations.

---

* See Non-GAAP Financial Information
**Strong Financial Results**

- Adjusted EBITDA represents net earnings before interest expense, depreciation and amortization, share based compensation, acquisition and integration expenses, provision for income taxes, and other income. Interest on notes payable and depreciation expense presented within cost of sales represent operating expenses of financing segment, as such they are not added back to net earnings.

- From FY16 to FY20, adjusted EBITDA increased at a compounded annual rate of 8%.

- Adjusted EBITDA margin increased from 7.3% to 7.5% from FY16 to FY20.
